

**Dear Community Supporter,**

The W.D. Packard Foundation continues the legacy of W.D. Packard, founder of Packard Park and Packard Music Hall, by completing capital improvement and educational projects for the betterment of the greater Warren community. Packard believed that not only industry formed the lifeblood of Warren, but also the essential infusion of musical culture, arts and entertainment.

The Foundation has completed nearly 1 million dollars in restoration work at the Music Hall and in Packard Park with the assistance of The W.D. Packard Park and Music Hall Board of Trustees, The W.D. Packard Band, The City of Warren, JAC Management and more.

Now, we ask the Warren community to continue this work and assist with funding future improvements to make our community a better place to live and work.

**Please review the projects below and consider a donation!**

**Japanese Tea Garden:** The first Tea Garden East of San Francisco, Packard Park’s garden is listed on the national register of Japanese Tea Gardens. The WDFP has funded the installation of a new fence, the painting of the traditional pagoda, and has created a landscaping and site plan. We are now asking for support to complete landscaping with traditional flora and install signage!

**Packard Park Improvements:** The Foundation is dedicated to uplifting Packard Park through a variety of projects including the installation of additional signage and improvements to the sports facilities.

**Packard Music Hall:** With the elevator now complete, the Foundation hopes to assist with the renovation of additional Music Hall amenities. Future projects include the renovation of the community room (small theater) and improvements to the entryway foyer.
